Samsung Galaxy J1 2016 Folio Flip Wallet White Samsung

Descriptif produit

Wallet cover with interior card pocket for carrying credit cards without the added bulk

Keep your card handy

Go out with peace of mind without carrying a wallet thanks to the card holder integrated inside the case. Your bank or transport card is always at hand.

Convenient for daily use

Easy access to camera, headphone jack, speaker and other controls.

Full protection

Custom-designed to fit the shape of your smartphone, the case offers complete protection against shocks and scratches.

Safeguard all sides

With its durable design, the Wallet Cover provides all-round protection.

Hassle-free solution

Thanks to its intuitive built-in sensor, Wallet Cover automatically turns your phone screen on and off for hassle-free use.
