

Samsung Galaxy J7 2016 Case Rigid Transparent Samsung

Descriptif produit

Provide your mobile with complete protection while remaining discreet

This thin and discreet case perfectly fits the curves of your device without compromising its line and highlights the side button as well as the volume buttons.

It thus leaves free access to all the features of the mobile as well as the connectors.

It provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and everyday shocks.

Its design adapts to 2.5D and 3D protective films

Its treatment allows it to resist yellowing and makes it a product that will accompany you for a long time.
