

SmartphoneMount Smart Ring Magnetic Silver Ideal Of Sweden

Descriptif produit

**The Magnetic Ring Mount is a stylish way of adding grip and security to your phone**

With the highest grade N52 magnets, it attaches powerfully to your IDEAL case and makes sure your cell phone stays safely in your hand, but is still extremely easy to remove.

The Ring Mount eases tension in your hand while scrolling through feeds.

It serves as a stand while watching videos.

The ring makes sure you don't drop your phone when taking a killer selfie.
