

Samsung Galaxy Z Fold Film Screen protector Bigben

Descriptif produit

Embrace sensitivity with this transparent shield for your screen. It deters everyday scratches and fingerprints while staying true to touch.

Add an extra layer of protection to your phone's screen with an ultra-clear film that won't come between you and your fingertip.

Uncompromising clarity and touch sensitivity

A seamless shield. Install the Protective Film for tough screen protection and clarity with its fully transparent display, which is also equipped with high touch sensitivity. Not to mention, it's incredibly compatible with your smartphone.

Solid layer to safeguard the screen

The Protective Film has an extra layer of anti-scratch and anti-fingerprint coating that helps safeguard your device screen against everyday scratches or accidental drops.

Easy and precise installation

No need to visit a store for the installation. Precisely position and cleanly install the Protective Film at home, in no time.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
