Provide your mobile with complete protection while discreet

This thin and discreet case perfectly follows the curves of your device without compromising the line and emphasizes the side button as well as the volume buttons.

It thus leaves free access to all the functions of the mobile as well as to the connectors.

Made from soft TPU material, a material designed to absorb shock. It provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and shocks on a daily basis.

Its design adapts to 2.5D and 3D protective films

Its treatment allows it to resist yellowing and makes it a product that will accompany you for the long term.
