

FreeLace - Wireless In-Ear Earphones Orange Huawei

Descriptif produit

HUAWEI FreeLace wireless headphones offer powerful bass, clear treble and an outstanding music experience.

Noise reduction

Keep your conversations free of hustle and bustle and ambient noise with noise reduction technology. So you can be calm in all circumstances.

Fast charging High-performance battery

With its USB Type-C port, recharge them directly via your phone. Its long-lasting battery and quick charge will guarantee you a continuous experience, all day long.

Magnetic attachment for automatic sleep mode

Thanks to its integrated magnetic Hall sensor, the headphones automatically detect when in use or in standby mode. For saved energy, at all times.

No more worries in the rain

Don't worry about rain or perspiration when you go out and do sports. FreeLace has IPX5 certification, for optimum protection at all times.
