

iPhone 11 Pro Reinforced Case Slam 2m Black Lifeproof

Descriptif produit

The reinforced case designed to withstand heavy drops on the hardest floors in style.

SLAM combines extreme drop protection with modern styling, for a case that goes far beyond its basic role.

In the event of an impact, it dispels danger in style to leave your device intact. When you take it out of your pocket, its suave curves and vibrant color grab the attention.

With its clean curves, open front and brightly colored contours, SLAM has a decidedly urban feel.

SLAM does double the work to get you 100% profit.

SL/M does not obstruct access to your ports, controls and features, so the operation and sound of your device are not affected in any way by your case.
