

Box iPhone 11 Pro Leather Case StGermain with Shoulder strap Bordeaux Artefakt

Descriptif produit

The Parisian chic case for your mobile: a mixture of elegance, chic and relaxation. In this district where the bourgeois are bohemian, evening dresses are worn with disheveled hair, suits in sneakers; all mixtures are good, as long as the materials are noble.

Full grain leather case with magnetic function: elegant patterns embossed on the case. The case incorporates a loop to fix the chain strap included in the box. A protection with finesse, handcrafted and designed in Paris.

Compatible:

- Magnetic car holder
- Induction charge
- Magnetic card holder
- Chain wrist strap
- Wrist strap

Nobility of materials

Our accessories are made from high-end materials, made to last, to have a patina, and to accompany us in all circumstances while of course protecting this object that has become so important in our lives: our smartphone.

Customization

We have created our protections for smartphones with every moment in mind in mind: Artefakt accessories adapt to different needs thanks to the innovative concept of "Companions", to be attached or magnetic. In turn, the "Companions" enhance your smartphone or enrich it with new features.

Parisian style

Our design studio is based in Paris, it is in this city that all our collections are designed and designed. Our inspirations come naturally from the Parisian heritage, from the architectural elements and style of the different districts of the capital, this very particular style, a mixture of elegance, chic and relaxation.

Careful manufacturing

We select our manufacturing workshops with the greatest care, for their know-how, their excellence in the realization of our accessories. We have made sure that creativity meets craftsmanship in all of our products.
