

2 in 1 Pack Oppo A9 / A5 Case Soft Transparent + Screen protector 2.5D Bigben

Descriptif produit

The essentials of protection for your mobile in one pack

Protection pack including:

- A transparent semi-rigid case:

This slim and discreet case perfectly conforms to the curves of your device without compromising the line and emphasizes the side button as well as the volume buttons. It thus leaves free access to all the functions of the mobile as well as to the connectors. Made from soft TPU material, a material designed to absorb shock. It provides a feeling of solidity and an ideal grip while protecting your mobile against dirt, scratches and shocks day-to-day.

Its design adapts to 2.5D and 3D protective films

Its treatment allows it to resist yellowing and makes it a product that will accompany you durably.

- A tempered glass screen protector:

High resistance to scratches and impacts: The 9H hardness standard of tempered glass makes it the most resistant screen protector against scratches. Grade 9H is at the highest level of hardness before diamond (10H) on a scale that defines resistance to touch, pressure and impact.

Smooth touch and finesse: A sensitivity that greatly facilitates the use and allows you to take full advantage of all the features of your device.

Real fuse against the breakage of your screen: Its role is to break by absorbing the shock to protect the screen of your device.

High-definition: An optimal optical transmission level and a minimum reflection rate allow the maintenance of the quality of the light image and its colors

Anti-fingerprints: Polymer-based surface treatment against fingerprints and the most frequent marks

This tempered glass is perfect for your mobile, while leaving enough room to use it with most cases.

Informations complémentaires

Bigben Connected: The brand for your smartphone essentials

- The consensual style that will accompany you day-to-day
- A wide choice of accessories to charge, protect, personalize, facilitate the use of your mobile
- An excellent value for money with quality products while remaining affordable
- Eco-designed packaging with zero plastic and fully recyclable. Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
- A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
