

Samsung Galaxy S20 Ultra Case Smart LED Black Samsung

Descriptif produit

The Samsung LED Back Cover is a multifunctional case that shows you LED notifications on the back side of the Cover.

The back cover LED lights will notify you of incoming calls, messages and more.

Camera countdown

The LED shows a countdown on the rear, so you know exactly how much time you have to pose before the photo is taken.

Mood Lighting

When you turn your Galaxy S10 over on its front, the LED Back Cover lights fade in and out like a light show.

Simply snap on

Phone protection that'll make you light up from the moment you put it on your phone, drawing its charge from the phone's battery.
