

Samsung G S20 Pop Symmetry Reinforced Case Black Otterbox

Descriptif produit

Customize and express your style with the Otter + Pop Symmetry Series cases - the slim protective case built into PopSockets® PopGrip™.

PopGrip grip helps you use one-handed texting options, take better photos and watch videos hands-free

Different styles for different occasions
Interchange PopTop designs to quickly change your style and adapt to any occasion

Qi wireless charging works with the cover and PopTop in place, but you may need to remove the PopTop.

The phone slips easily into your pocket with both the PopTop and without.
