**Carbon footprint (kg CO2e) :  
1.16**

**Ref : JGCBLMFIC2MW**

**EAN : 3571211434214**

**Pack contents : 1 USB C to  
Lightning Cable + Prepaid return  
envelope for recycling**

JUST GREEN: The eco-responsible brand

- #avenir: Ranges made of highly recyclable materials selected to minimize the ecological impact on the planet.
- #circulaire: A recycling center with the prepaid return of old products to be recycled to promote the circular economy
- #essential: Eco-designed packaging fully recyclable : Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
- #local: Just Green is a French brand. Our products are imagined and designed in France. Our desire is to support the local economy and to favor modes of transport with a low carbon footprint.
- #solidarity: Just Green is committed to donating 5% of its turnover to support environmental protection associations and thus multiply initiatives. But for that we need you! Support the ecological cause that is most important to you by choosing the association that Just Green will finance.

Just Green is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.

From its delivery, this product benefits from the legal guarantee of conformity of 2 years.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product

[www.bigbenconnected.fr/recyclerie/](http://www.bigbenconnected.fr/recyclerie/), download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at [www.thegreenact.org](http://www.thegreenact.org).
