Stylish and feature-rich protection for your mobile

This folio gives your mobile a unique and elegant style

The combination of a black semi-rigid case on the back and a flap that fully covers the screen to provide full protection for your phone against everyday bumps and scratches

Its elegant magnetic tab keeps the case securely closed.

Keep your credit cards close at hand thanks to the storage spaces integrated in the flap lining

Convenient, the folio can switch to horizontal support mode at any time. Comfortably enjoy your photos and videos from an ideal viewing angle while keeping your hands free

Leaves free access to all mobile features as well as connectors

Allows you to use the mobile and its features without removing the case
