

X-Ride Motorcycle fixing and charging kit Black Crosscall

Descriptif produit

Designed for bikers, the X-RIDE is the accessory awaited by motorbike fanatics. Using X-LINK™ technology, this mount allows the rider to attach the CROSSCALL

Charging

Recharge your smartphone while riding via the USB cable integrated into the magnetic X-LINK™ mount, which allows the X-RIDE to be connected to your vehicle's USB charging socket.

360° Rotation

Tilting and rotating, the X-RIDE's twin ball joint allows you to select the perfect position (portrait/landscape) for your phone, depending on your bike and your use.

Complete fixing kit

The X-RIDE has 2 mounting systems: a wing mirror mount (0-10 mm) and a handlebar mount that can be adapted to various diameters. (22-34 mm)

X-Blocker mount

With the X-BLOCKER safety system, essential for this accessory, the smartphone is fixed onto the X-RIDE in the best way possible and extremely securely, even at high speed or vibrations.
