

Wiko View 5 / 5 Plus Smart View Folio Volcanic gray Wiko

Descriptif produit

**Adopt total protection for your smartphone thanks to a Smart Folio combining practicality and minimalist design.**

This Smart Folio case specially designed to protect your Wiko has an intelligent viewing window.

Indeed, you will be able, without opening your smartphone, to access all your notifications, your incoming calls and the music in progress.

In addition, the stand function will allow you to benefit from a pleasant visual comfort to watch your videos hands free.

Smart viewing window for your notifications, incoming calls, music in progress
Rigid case protecting from possible impacts
Stand position to freely consult your content
Reflective patch ideal for the night
