

Powerbank 10000mAh 2 USB A ports White Puro

Descriptif produit

The external battery for smartphone and tablet compact and fast, always on hand

This External Battery is equipped with Fast Charger technology that allows you to recharge your smartphone to 50% in 30 minutes.

Thanks to the 10.000 mAh capacity it is possible to recharge your device up to 8 times*.

It is the ideal external battery for smartphone and tablet for those who want to have a compact and fast emergency recharge.

This backup battery offers the best charging performance for a fast and safe recharge.

Equipped with 2 USB A ports, it charges two devices simultaneously.
Output USB-A: 2.4A

*Tested with iPhone SE with 20% battery. The number of recharges varies depending on the smartphone model and the number of devices connected at the same time.
