

Descriptif produit

Opt for maximum protection of your Oppo with this Kevlar case.

With its sober and elegant line, the Oppo kevlar case is ideal for everyday use.

Rigid, it protects your smartphone from scratches and bumps and has raised edges to improve the security of the screen and the lens.

Very easy to put in place, it protects your favorite phone against everyday damage.

Kevlar protection

Kevlar is a material with amazing properties, which you may have heard of, since it is used to make bulletproof vests!

In fact, Kevlar has exceptional resistance to traction, impact and wear. At equivalent weight, Kevlar fiber is 5 times stronger than steel, resulting in an extremely protective and very light case.

Stylish and ultra-thin, it preserves all the elegance of your Oppo.
