

iPhone 12 Pro Max Reinforced Case Next 2m Transparent Black Outline Lifeproof

Descriptif produit

Style while making your phone snow and dust proof, as well as drop resistant.

Although not waterproof, the NEXT case is ready for any adventure on dry land.

Resistant to drops, dust and snow, the case protects your phone from drops and the various ports from dirt.

The case provides all this by not hindering the design of your smartphone since the finish of the latter remains visible.

NEXT represents a style revolution that goes hand in hand with the evolution of your phone as durable as ever.
