

iPhone 12 mini React Reinforced Case Red Otterbox

Descriptif produit

Sleek, ultra-thin protection for your phone backed by OtterBox approved protection.

The ultra-thin case and one-piece design fits easily in and out of the pocket just as easily.

Designed in one solid piece, it conforms to the shape of your phone perfectly, and its soft-touch edges ensure a great grip.

The bevelled edges help protect your touchscreen.

Qi wireless charging works with the case.
