

3-Pack Essential Oils Scent Refills Synergie 10ml Purity & Comfort for Aromasound Diffusers Aromasound

Descriptif produit

Take advantage of the Purity & Comfort Discovery Kit to spice up your interior. This kit composed of a Cocoon synergy and Ravintsara and Eucalyptus Globus essential oils will bring you a sweet fragrance and allow you to clean up your interior.

Synergie Cocoon is mainly composed of sweet orange and Scots pine giving it vitalizing and very fragrant properties. She will be an ally for good humor.

Ravintsara essential oil is appreciated for its expectorant and fortifying qualities.

As for the essential oil of Eucalyptus Globulus, it is appreciated for these capacities at the level of the respiratory sphere. It is certainly one of the most effective in helping decongestion of the respiratory tract, especially in the case of nasopharyngitis, sinusitis or even bronchitis.
