

Descriptif produit

A thin and elegant case ideal for taking care of your mobile.

With a soft finish, it is both aesthetic and neat.

Resistant, this case provides full protection for the back and sides of your smartphone.

Being thin, it gives you an excellent grip when handling your mobile.

The case leaves access to all the features of your smartphone. For more comfort, the buttons are redesigned.

Easy to install, you just have to insert your mobile into the case.
