iPhone 11 Pro Max Reinforced Case Leather Black Beetlecase

Descriptif produit

A reinforced, elegant and convenient leather protection for your smartphone

Our reinforced black leather case perfectly conforms to the curves of your iPhone without devaluing its design.

Our reinforced case resists shocks and drops from 1 meter. The use of a TPU outline which gives it resistance to everyday damage and shocks.

The TPU embossed at the location of the side buttons, gives them a clean line without affecting their functions.

Our full grain leathers are selected and treated in order to obtain a patinated appearance over time while respecting the appearance of the colors.

Our signature microfiber perfectly represents the strength and elegance of our Beetlecase brand while protecting the back of your phone.

The Beetlecase beetle is discreetly represented on the outside of your case.
