Apple iPhone 12 Pro Max Premium Case Black Beetlecase

Descriptif produit

Elegant and practical protection for your smartphone

Our case perfectly conforms to the curves of your smartphone without devaluing its design.

Like a second skin, its premium coating covers all of your protection.

The case is embossed at the location of the side buttons, giving them a clean line without affecting their functions.

Our signature microfiber perfectly represents the strength and elegance of our Beetlecase brand while protecting the back of your phone.

The Beetlecase beetle is discreetly represented on the outside of your case.
