

# USB C Charger Kit 25W + USB C / USB C Cable 1.2m Black Bigben

## Descriptif produit

**A charging pack featuring Power Delivery, the fastest charging protocol on the market for mobile devices. The fast and efficient charging solution, in the office, at home or on the go.**

This pack consists of a USB C charger and a 1.2m USB C to USB C cable.

Adapted to your daily use

Practical and essential for recharging all your mobile devices at home, in the office or on the go. Compatible devices: phones, external batteries, tablets, etc.

**Power Delivery: 70% Faster Charging\***

Its Power Delivery-compatible charging protocol is much more efficient than conventional charging technologies. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices, it offers an ultra-fast, safe, and convenient alternative for charging all your devices up to 70% faster than standard 5W\* technology.

**Intelligent and Eco-Friendly Charging**

Dynamic charge adjustment preserves the battery and reduces energy consumption, preventing the risk of overheating and extending the battery's lifespan. When you're in a hurry, our chargers give your battery a quick boost in no time.

**Secure Charging**

Designed for intensive daily use, it withstands high temperatures and voltage fluctuations for safe long-term use.

**Power Delivery Compatibility**

To benefit from the optimal charging speed of a Power Delivery charger, you need a compatible Apple or Android device, a USB Type-C to USB Type-C or USB Type-C to USB C charging cable, and a USB Power Delivery compatible charger.

**1.2m USB C to USB C cable included**

Essential for connecting your device to your charger, computer or external battery and charging it. Longer than traditional 1m cables, they offer greater comfort of use while remaining space-saving.

**Reversible cable design**

The cable connector is reversible making connections even easier.

**Charges all your Android and iOS compatible devices**

Supports a wide variety of devices compatible with USB C connectivity, including the new iPhone 15.

**Fully Recyclable Eco-Friendly Packaging**

Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

**Product Upcycling**

Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product

[www.bigbenconnected.fr/recyclerie/](http://www.bigbenconnected.fr/recyclerie/), download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at [www.thegreenact.org](http://www.thegreenact.org).
