Informations complémentaires

How the lifetime warranty works

Thanks to the lifetime warranty, Force Power replaces your product with a simple replacement by new in case it gets damaged.

To benefit from the lifetime warranty, all you need to do is create an account in a few clicks and register your product on the site <https://force-mobility.fr/en/user-garantie>, within 30 days of your purchase, with your purchase proof.

The Force service sends you a new product in exchange for your defective or broken product. Once a year and with no time limit so that your mobile is always fully charged!

FORCE POWER : The high performance charge Lifetime warranty Brand

- Accessories designed to protect and last a long time.
- Technological innovation to serve the performance
- A timeless design to enhance premium smartphones
- A lifetime warranty to satisfy the most demanding customers
- Eco-designed packaging with zero plastic and fully recyclable. Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)
- A recycling center with prepaid return of old products to be recycled to promote the circular economy

Force Power is a French brand whose products are designed and developed in Paris.

French specialist in smartphone charging solutions for 25 years, our products are tested and certified according to the standards and directives in force on the market.

As of its delivery, this product benefits from the legal guarantee of conformity of 2 years.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
