

Silicone Crossbody Case Imperial Red Casyx

Descriptif produit

Keep your phone slung handy so you never miss a call!

Convenient

This neck strap case can follow you everywhere without even using your hands. It is ideal for travel, day and night outings, parties, and also for use at festivals and concerts. Thanks to the modern and very convenient design, you can carry your iPhone and still have your hands free.

Anti falls

Keeping your phone hanging from a lanyard means it won't fall off, sideways or front. You'll avoid dropping it, and even if it does, the case is extra protection. This case is the ideal element to extend the life of your phone.

Adaptable cord

An adjustable strap allows it to hang perfectly at your sides, adapt the size of the cord to your preference.
