

Pack Transparent soft case + Tempered glass Screen protector for Power U20 Wiko Wiko

Descriptif produit

A complete pack to guarantee total protection of your mobile

Pack including 1 transparent flexible case + 1 Tempered Glass screen protector + 1 cleaning kit

Thanks to the transparent case, reveal the color of your smartphone while protecting it from possible shocks. The combination of two complementary materials has a double advantage. The rear of the case has been hardened for effective protection, while the flexible and enveloping frame offers real ease of use.

Enjoy everyday peace with the tempered glass screen protector, totally transparent and therefore invisible. It will preserve the responsiveness of the touchscreen while avoiding unwanted scratches and fingerprints.
