

Smart Speaker Nest Hub 2nd gen. WiFi + Bluetooth® Google Assistant Anthracite Google

Descriptif produit

Meet the new Nest Hub, the center of your helpful home.

Entertainment made easy.

Catch up on Netflix shows, watch YouTube videos, listen to music on the enhanced speaker, and more

Control your smart home.

With just a tap – or your voice – control thousands of compatible smart devices from one central display.

Keep your family connected.

Nest Hub helps with your busy home. See your calendar and create reminders and to-dos

Helps you wind down and wake up.

Wind down to soothing sounds at bedtime and wake up gently to a Sunrise Alarm.

Nest Hub respects your privacy.

You can turn off the mic at any time with the mic switch. And easily clear your Google Assistant history whenever you want.

Simple design. Sustainable materials.

Nest Hub's simple design and subtle colors fit any room. The display adjusts to ambient room light, so it's not too bright or too dim. And it's built with the environment in mind – 54% of its plastic part material is made with recycled content.
