

iPhone XR / 11 Flat Eco-designed with Installation kit Screen protectors Just Green

Descriptif produit

100% eco-designed, the Just Green screen protector is the eco-friendly accessory for your mobile!

100% eco-designed

Your screen protector, its installation kit and its cleaning kit are made of 100% recyclable materials. The glass, cardboard, soy ink or even vegetal glue used to manufacture the product have been carefully selected and they incorporate a maximum of biobased elements in order to preserve the planet's resources.

High scratch and impact resistance

The 9H hardness standard of tempered glass makes it the most resistant screen protector against scratches. Grade 9H is at the highest level of hardness before diamond (10H) on a scale that defines resistance to touch, pressure and impact.

Easy installation

An installation kit is included for quick, easy and bubble-free installation. In addition to being convenient, it is 100% biodegradable!

Eco-responsible cleaning kit

The cleaning kit consists of an absorbent cotton wipe and a water-based lotion.

Smooth touch and finesse

A sensitivity that greatly facilitates use and allows you to take full advantage of all the features of your device.

High Resolution

An optimal optical transmission level and a minimum reflection rate maintain the quality of the light image and its colors

Fully Compatible

This curved 2.5D tempered glass screen protector perfectly conforms to the curves of the screen. It is perfect for your mobile, while leaving enough room to use it with most cases.

Recyclable packaging

A fully recyclable packaging made from cardboard certified from responsible forest management, vegetable glue and soy ink. Designed to be eco-friendly, plastic-free.

Circular economy

A recycling center allows the pre-paid return of old products to be recycled to give them a second life.

Support for associations

5% of turnover to support environmental protection associations. Find the associations on our website <https://just-green.fr/fr/content/6-associations>.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
