

Audio Adapter USB C to USB C + Charge USB C 12cm White Bigben

Descriptif produit

The accessory that allows you to make calls or listen to music while charging your smartphone

A 2 in 1 solution: audio and ultra-fast charging

No more dilemma between charging and music. You can now enjoy your music without worrying about the battery of your smartphone, while making calls, thanks to this adapter with 2 integrated USB Type C ports. Now you'll be able to accomplish both simultaneously, by plugging in both your charging cable and wired headphones. Designed specifically for smartphones equipped with a USB Type C port, this adapter will allow you to enjoy your favorite headphones or earphones.

Practical and easy to carry

Measuring only 12 cm, this adapter fits easily into your bag or pocket to accompany you wherever you go. Its compactness makes it the ideal accessory for everyday use, whether at home, in the office, on the go or outdoors.

A versatile adapter for optimal audio fidelity

No matter what you're doing, whether you're listening to music or watching videos, this adapter lets you charge your device at the same time. It ensures exceptional audio quality by preserving the integrity of audio signals, preventing any quality loss or interference.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use.
