

## iPhone 13 mini Reinforced Case Transparent Itskins

### Descriptif produit

**Clean look. Complex technology. Extreme protection. Made in France: Let yourself be seduced by the NANO GEL case which adds a new level of safety against falls.**

#### Ultra light and flexible

Flexible, ultra light, very thin and easy to install, this minimalist looking case offers effective protection.

#### Antimicrobial

IMPACTHANE built-in microbial defense protects against many common germs and reduces microbes by up to 99.99%.

#### Ultra thin

Minimalist design for pocketing and protection, with a thickness of less than 0.9 mm.

#### High edges

Signature design to protect your device and camera lens from head-on drops.

#### Air Pocket Technology

Air pocket crowns and edges absorb and disperse shock on impact.

#### HEXOTEK Technology

Honeycomb air cushion structure that provides enhanced drop protection in a Super Slim profile.

#### Robust frosted finish

Two-tone border with smooth and frosted back, designed to offer optimal protection against scratches.

#### Certified 2m/7ft Drop

Advanced impact protection up to 2m

#### Made in France

The NANO GEL case is 100% made in France
