

# iPhone 13 Pro Max Reinforced Case Nano Gel Made in France 2m Transparent - Made in France Itskins

## Descriptif produit

**Clean look. Complex technology. Extreme protection. Made in France: Let yourself be seduced by the NANO GEL case which adds a new level of safety against falls.**

**Ultra light and flexible**

Flexible, ultra light, very thin and easy to install, this minimalist looking case offers effective protection.

**Antimicrobial**

IMPACTHANE built-in microbial defense protects against many common germs and reduces microbes by up to 99.99%.

**Ultra thin**

Minimalist design for pocketing and protection, with a thickness of less than 0.9 mm.

**High edges**

Signature design to protect your device and camera lens from head-on drops.

**Air Pocket Technology**

Air pocket crowns and edges absorb and disperse shock on impact.

**HEXOTEK Technology**

Honeycomb air cushion structure that provides enhanced drop protection in a Super Slim profile.

**Robust frosted finish**

Two-tone border with smooth and frosted back, designed to offer optimal protection against scratches.

**Certified 2m/7ft Drop**

Advanced impact protection up to 2m

**Made in France**

The NANO GEL case is 100% made in France
