

USB C Charger 20W Power Delivery White Apple

Descriptif produit

The Apple 20W USB-C Power Adapter offers fast, efficient charging at home, in the office, or on the go.

USB Type C port

A white charging adapter that provides fast and efficient power to your smartphone or tablet. Universal, its USB Type C output port is suitable for all devices that charge via a USB-C cable.

Secure charging

This Apple USB Type C wall charging adapter guarantees quality and performance for optimal charging. It provides a safe overheating and overcharging power supply to prevent damage to your smartphone or tablet battery.

Power Delivery 20W

Thanks to the Fast Charge Power Delivery 20W technology, your device's battery will benefit from a faster power supply. So the faster the device is charged, the faster you can use it to enjoy your favourite applications.

Compact design

With its compact and lightweight design, this mains charger is the ideal everyday companion. It can accompany you at home or at the office, so you can get help when you need it. It's a minimalist design that fits easily into your bag, suitcase pocket or pouch, without taking up any space.
