

SmartphoneMount PopGrip Slide Stretch Magnetic Stand and Selfie Transparent Popsockets

Descriptif produit

Enjoy the full functionality of MagSafe technology and protect your smartphone from falls with this Popgrip

MagSafe compatible
Thanks to its integrated magnets, you can attach your iPhone 12 to a MagSafe holder and enjoy all its features. Charge your smartphone without removing the popgrip, which is thin enough to allow you to benefit from induction charging.

Easy to use
Attach it to the back of your smartphone, it stretches whenever you need to hold it or have support for great photos, videos or posts.

A secure grip
The Popgrip Slide ensures a secure grip on your phone. You can write messages with one hand and take selfies without sliding your phone!

Stand function
The Popgrip allows you to watch videos on your smartphone. Thanks to this accessory you will be able to put your phone in video mode, the Pop Grip holds it!

A unique style: yours
The Popgrip is not just another phone grip. You can change your style whenever you want by simply changing the disc on top, the PopTop. The change is very easy. All you have to do is fold the handle, slide it 90 degrees and you're done.
