

## Samsung G S21FE Stand function Case Transparent Samsung

### Descriptif produit

#### The case which preserves the smoothness of the mobile and offers 2 viewing angles

##### Keep your color on view

You chose the color, now show it off. The back of the case is transparent so you can keep the design on display.

##### Clearly protected

This case delivers protection with the help of two different materials. The corners are protected with a bouncy TPU bumper, while the solid PC back protects the rear of your phone.

##### Control your content view

Kick back and watch at your choice of viewing angles. The Free Stop Hinge on the rear is adjustable, letting you pick out the angle that works best for you.
