

iPhone 12 / 12 Pro Case Atelier Brown Ideal Of Sweden

Descriptif produit

The Atelier Ideal Of Sweden case enhances the look of your smartphone while ensuring effective protection.

Convenient and chic

Magnetic, all the products in the range are compatible with each other. Case, case, smartphone ring or car holder, juggle from one need to another with ease.

An elegant design in deep black, evoking a timeless style that does not compromise on functionality. This design epitomizes convenient luxury with dark silver hardware and detailing around the camera.

Ultra trendy

The designs in the collection echo the most fashionable trends. Urban, fashion or chic, the smartphone can be dressed as you wish and matched your looks.

Its perfectly adjusted laser cut

Allows you to follow the lines of the phone for better protection.

A microfiber coating

The inside of the case envelops the phone in softness to prevent scratches and scratches. Thus ready, your smartphone is effectively protected for a long time.

The Ideal concept incorporates the latest Nordic standards in terms of design and functionality. Ideal Of Sweden has created an ecosystem of magnetic products responding to each other to simplify everyday life.

cases, chargers, cables, brackets... Functionality and style, a real Ideal.
