

15W DUO Watch Flat FastCharge Wireless Charger White Samsung

Descriptif produit

With this induction charger, recharging will no longer be a constraint. Simply place your smartphone on the wireless charger to reach 100% battery quickly.

Charge fast with Fast Charging

Get the charge you need quickly, thanks to up to 15W of Fast Charging support. This boost of battery is compatible with USB PD and Adaptive Fast Charging travel adapters for an easy pick-me-up.

*Charging speeds may vary by device. Actual charging speed may varies depending on usage, charging conditions and other factors. **Compatible Apple mobile devices with wireless charging feature support up to 7.5W fast charging.

One charger, two devices

Simultaneously power up your favorite pair of devices to enjoy together — whether that's your phone and Galaxy Watch or your Galaxy Watch and earbuds.

*The right side of this charger is only compatible with Galaxy Watch (Active 1 or later models) and Galaxy Buds products. Mobile phones cannot be charged on this side.

Power your device safely

The Wireless Charger Pad has a built-in cooling system with a fan and charges your phone even faster with less power consumption than competing products.

Protect your Galaxy device with safe charge

The 15W charger is the best choice to keep your Galaxy device safe from high temperatures and humidity, and from overheating when charging. It also automatically detects when objects interfere during the charge and is tested to ensure Galaxy device compatibility.

Designed to fit your space

Simply place the Wireless Charger where you want it. With a slim, smooth and compact design, it fits even in your smaller spaces, so it's easy to access when your phone or earbuds need a little extra juice.

Colors inform charging status

The LED light intuitively tells you the charging status of your device with different colors: red for charging, flashing red for charging error, and green for fully charged. When it's time for lights out, you can dim it to not disturb your beauty sleep.
