Descriptif produit

High performance Lifetime Warranty products

With its 2m USB C/Lightning cable, the Force Power home charger with Power Delivery capability guarantees an ultra-fast charge to accompany you efficiently in your daily life.

Power Delivery: unrivalled charging speed
The efficiency of its Power Delivery compatible technology guarantees a much faster charging speed than the traditional protocol which requires hours. Its USB C port provides a maximum charge of 65W to charge your device up to 70% faster than standard 5W technology*.

One powerful charger for all your devices
No more multiple chargers at home and in the office: choose one efficient charger for all types of smartphones, tablets and even laptops!

Extremely fast charging time
This charger offers a high performance solution to power all your iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices. Charge up to 50% of the battery of your iPhone 8 or later model or your Samsung S20 or later model in only 30 minutes*!

Ultra compact GaN technology
The charger is much less bulky than a traditional charger or computer charger, making it easy to carry for daily use or on the go.

Smart and secure
The charger automatically detects the required fast charging current: handy if you are in a hurry to boost your battery in a short time! This innovative technology avoids the risk of overheating and gives the battery a longer life. When the battery is full, the power supply is switched off to prevent the battery from running continuously.

Power Delivery Compatibility
To benefit from the optimal charging speed of a Power Delivery charger, you need a Power Delivery compatible device or Android, a USB Type-C to USB Type-C or Lightning to USB Type-C charging cable and a USB-PD compatible charger.

Fast charging and syncing speed
High-performance components that provide much faster charging speeds than conventional cables.

Durable cable coating
Fully covered with braided nylon to withstand everyday handling and stresses of over 30kg.

Strong articulated design
Designed to bend extensively and withstand up to 15,000 bends without damaging your cable.
