

Samsung Galaxy A13 5G Case Ultra thin Transparent Black

Samsung

Descriptif produit

The transparent case which preserves the finesse and design of your mobile

Thin, light, but offers total protection.

This case fits perfectly to the design of the mobile

Flexible material

This flexible but also protective material offers protection and durability to protect against bumps and scratches.

Protection and elegance

The transparent case preserves the smoothness and design of your mobile while providing easy access to all buttons and ports on your device.

The case leaves access to all the features of your smartphone. For more comfort, the buttons are redesigned.

Easy to install, you just have to insert your mobile into the case.
