

# USB C In-Ear Earphones 100% Recycled plastic White Force Play

## Descriptif produit

**Optimal listening quality with a unique promise: the lifetime warranty that ensures the replacement of your headphones in case of failure!**  
**Made of 100% recycled plastic**

**Built to last thanks to their reinforced design**

These headphones are designed to be durable. Braided nylon cable is stronger and wear-resistant, less likely to get tangled or break. The metal coating on the connector, meanwhile, adds an extra layer of protection against damage caused by daily use, like friction or impact.

**Immersive sound quality**

Thanks to a wide frequency (20Hz-20kHz), sound reproduction is excellent, with well-balanced bass and treble for an immersive audio experience. The moderate impedance of 32Ω improves sound purity for better sound transmission. Whether for your music, your series or video games, the sound quality is ideal so you don't feel any hearing fatigue, even during prolonged listening.

**Lightweight and compact: practical for daily use.**

They allow you to enjoy music, podcasts, phone calls and other audio content wherever you are: on the street, in the office, at home, on the subway or even during your sports activities.

**Built-in microphone for calls and voice recording**

A microphone is built into the earbuds' remote control, allowing you to make hands-free phone calls at any time without needing to access your device. Also useful for recording all your vocals.

**3-button remote control for easy, intuitive control**

With the integrated remote control on the earphone cable, you no longer need to take out your device to control your music and calls. Multi-function, with a simple click you can control everything: play, pause, pick up, adjust the volume, etc.

**Cable with a length of 1.2m**

Its 1.2 meter long cable is perfectly suited to portable use. Neither too short nor too long, it allows comfortable and practical freedom of movement. Even more, it makes your connections easier in all circumstances.

**In-ear format: Comfort, support and excellent sound isolation**

The in-ear tips of these headphones are designed to provide you with optimal comfort. They adapt perfectly to the shape of your ears for perfect support and comfortable wearing for hours. These also provide sound insulation by effectively blocking background noise. Enjoy your music to the fullest without being disturbed by outside noise.

**3 tip sizes included**

Force Play headphones come with tips in three different sizes: use the tips that fit your ears for effective fit and a comfortable listening experience throughout the day or during your physical activities for as long as you want.

**Earphones shape : In-Ear**

**Color : White**

**Feature(s) : USB C In-Ear Earphones - Reinforced design - Lifetime Warranty - 100% Recycled plastic**

**Material : 100% Recycled plastic**

**Carbon footprint (kg CO2e) : 0.83**

**Ref : FPYKPINTRAUSBCW**

**EAN : 3571211481225**

**Pack contents : 1 USB C In-Ear Hands-free kit**

### Compatible with devices equipped with USB C port

To enjoy all your content, these wired headphones are compatible with a wide variety of devices equipped with a USB C port, such as smartphones, tablets, laptops, speakers and many more. They offer great versatility for everyday use.

### 100% recycled plastic

Our Force Play headphones are eco-designed and made of recycled plastic to reduce environmental impact.

### Lifetime warranty

Your product is replaced in the event of a breakdown.

### Eco-designed packaging that is fully recyclable

Cardboard (certified from responsible forest management), glue (vegetable) and ink (soy).

### Product Upcycling

Prepaid return of old products to be recycled to promote the circular economy.

## Informations complémentaires

### How the lifetime warranty works

Thanks to the lifetime warranty, Force Play replaces your earphones with a simple replacement by new in case it gets damaged.

To benefit from the lifetime warranty, all you need to do is create an account in a few clicks and register your product on the site [www.force-play.fr](http://www.force-play.fr), within 30 days of your purchase, with your purchase proof.

The Force service sends you a new product in exchange for your defective or broken product. Once a year and with no time limit so that you can always enjoy your music!

### FORCE PLAY: The audio brand for a quality listening experience Lifetime warranty

- Suitable for all types of use: teleworking, gaming, sports, calls, music, video...
- Made of recycled materials, they are a sustainable alternative to traditional earphones.
- A lifetime warranty to satisfy the most demanding customers
- Eco-designed packaging fully recyclable : Cardboard (certified from responsible forest management), glue (vegetable) and ink (soya)

Force Play is a French brand whose products are designed and developed in Paris.

French specialist in smartphone protection solutions for 25 years, our products are tested and certified according to the standards and directives in force on the market.

As of its delivery, this product benefits from the legal guarantee of conformity of 2 years.

### How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

### How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product, download a prepaid return on our website to send us your product to be recycled.

### What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

### What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at [www.thegreenact.org](http://www.thegreenact.org).
