

Powerbank 10000mAh 3 USB 2A+C ports 20W PD/QC Black Bigben

Descriptif produit

Its Power Delivery technology ensures you ultra-fast charge on the go: Never run out of battery again! Eco-designed with 30% recycled plastic

20W Power Delivery: unrivalled charging speed

The efficiency of its Power Delivery compatible technology guarantees a much faster charging speed than the traditional protocol which requires hours. Its USB C port provides a maximum charge of 65W* technology*.

Power Delivery Compatibility

To benefit from the optimal charging speed of a Power Delivery charger, you need a Power Delivery compatible device or Android, a USB Type-C to USB Type-C or Lightning to USB Type-C charging cable and a USB-PD compatible charger.

Charge up to 3 devices simultaneously

Charge up to 3 devices simultaneously with this powerbank featuring two USB-A ports and one USB-C port. This powerbank ensures a quick charge of your smartphone or tablet.

Ideal for travel

This external battery will follow you everywhere. This ideal accessory slips easily into your pocket, bag, suitcase or trousseau to accompany you wherever you go. Convenient, it will help you in your adventures, vacations and walks.

A powerful and efficient battery backup

Keep your device charged at all times, wherever you are, with this backup battery. Featuring 10,000 mAh of power, this external battery provides hours of extra battery life and charges your device up to three times.

USB-C cable included

Use the included USB-C cable to charge the powerbank on a USB power adapter.

Secure charging

This powerbank offers overheat and overcharge protection to ensure your devices are safely powered.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
