

USB C Charger 30W Power Delivery GaN Gray + Lifetime Warranty Force Power

Descriptif produit

Extremely fast, intelligent and secure charging to support you efficiently on a daily basis - Lifetime warranty Made from 100% recycled plastic.

Charge Power Delivery 3x Faster

This technology will allow you to charge up to 50% of the battery of your iPhone 8 or newer model or your Samsung S20 or newer model in approximately 30 minutes. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices, it offers a 3 times faster, safe, and convenient alternative for charging all your devices.

GaN Technology for Extreme Compactness Even with High Power

Miniaturized components for extreme compactness. The charger is much less bulky than a traditional charger, making it easy to carry for everyday use or on the go.

Multi-Protocol Compatibility for Peak Performance

Its Power Delivery-compatible charging protocol is much more efficient than conventional charging technologies*: PPS standard compatible with USB PD 3.0 & Qualcomm QC4.0.

Intelligent and Eco-Friendly Adaptive Charging

Dynamic charge adjustment preserves the battery and reduces energy consumption. The charger automatically detects the charging current needed for fast charging. When the full charge is reached, it cuts off power, preventing the battery from running continuously. This innovative technology prevents the risk of overheating and extends the battery's lifespan. When you're in a hurry, our chargers give your battery a quick boost in no time.

Reinforced Design and Secure Charging

Its design and coating ensure resistance to shocks and scratches for long-lasting use. Thanks to its 9 levels of security, it operates safely and reliably even in high temperatures or voltage fluctuations.

Convenient and Essential

Suited for your everyday use, whether at home, in the office, or for sharing with family and friends.

Power Delivery Compatibility

To benefit from the optimal charging speed of a Power Delivery charger, you need an Apple or Android device compatible with this technology, a USB Type-C to USB Type-C or Lightning to USB Type-C charging cable, and a USB Power Delivery compatible charger.

Convenient Cable Holder Included

Improves the product experience and makes daily use easier.

Eco-Designed with 100% Recycled Plastic

This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!

The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
