## Descriptif produit

**High performance Lifetime Warranty products. Made from 100% recycled plastic.**

The perfect combination of an extremely durable reinforced USB C cable and a high performance charger for fast daily charging.

High resistance technology  
High density coating for extreme strength: 15 times stronger than steel which offers tensile strength up to 50 kg.

Reinforced internal construction  
Heat-sealed metal hook that prevents connector pullout.

Component isolation  
Sheathing of metal cables with a layer of Vectran® against electrostatic shocks.

Very strong articulated design  
Designed to be bent and withstand up to 50,000 bends at 180 degrees without damaging your cable.

Fast charging and syncing speed  
High performance components that ensure a much faster charging speed than conventional cables.

Superior charging power  
Reloading 2 to 3 times faster than with a conventional charger.

Smart and eco-responsible charging  
Ultra-fast charging adjusted to the needs of the device to avoid damaging the battery.  
Load management to limit overconsumption of energy.

100% dedicated to mobility thanks to the Smart Companion offered with your product  
A smart cable tie is included with your product to roll up and easily transport your charging cable.

Reversible design and design  
For even easier connections without worrying about orientation.

As of its delivery, this product benefits from the legal guarantee of conformity of 2 years.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product [www.force-mobility.fr/recyclerie](http://www.force-mobility.fr/recyclerie), download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at [www.thegreenact.org](http://www.thegreenact.org).
