

Pack iPhone 14 Pro Force Case

Descriptif produit

The essentials of protection and charge for your mobile in one pack

Thanks to the lifetime warranty, our FORCE brands replace your products with a simple replacement in case they get damaged

Protection pack + charge including :

A heavy duty screen protector:

- Fits the curves of the screen to effectively protect your mobile device. Tailored cut-outs for the front camera or speaker.
- Probably the strongest screen protector after diamond. Exclusive design that combines the best materials, treatments and coatings to ensure the highest level of the highest level of resistance to scratches, pressure and impact.
- Pleasant touch and perfect transparency to fully enjoy the fluidity of the original touch and the quality of the colours. Optimised thinness from 0.25 to 0.33 mm and high clarity index for maximum discretion.
- Anti-fingerprint oleophobic treatment and anti-explosion design prevents dangerous fragments and allows easy removal.
- Exclusive installation kit dedicated to each mobile for a simple, fast and bubble-free installation

A reinforced case:

- The Feel reinforced case resists shocks and drops from 2 meters.
- The combination of exclusive technology and the use of choice materials makes it extremely resistant to everyday damage.
- 3D inserts on the corners of the case designed to absorb impacts and disperse the energy of the shock along three axes. Your mobile is thus perfectly protected in the event of a fall.
- Aesthetic and resistant, its design lets you appreciate the original beauty of your smartphone while offering you the best grip.
- It fits perfectly with the design of the mobile phone by underlining the control buttons. The screen and camera are protected by raised edges to reduce the risk of scratches.
- Made from a polymer alloy treated against yellowing, your case will retain its transparency much longer.
- The Origine France Garantie certification, certifies that this product has been entirely manufactured in France: processing and packaging.
- This product is eco-designed and made with 50% recycled plastic to reduce the environmental impact

An ultra fast mains charger

- The efficiency of its Power Delivery compatible technology guarantees a much faster charging speed than the traditional protocol which requires hours. Its USB C port provides a maximum charge of 30W to charge your device up to 70% faster than standard 5W technology*.
- No more multiple chargers at home and in the office: choose one efficient charger for all types of smartphones and tablets!
- This charger offers a high performance solution to power all your iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices. Recharge up to 50% of your of the battery of your iPhone 8 or later model or your Samsung S20 or later model in only 30 minutes*!
- The charger automatically detects the required fast charge current: handy if you are in

Force Case is a French brand whose products are designed and developed in Paris. It is the first brand to integrate 5 impact resistance systems certified by tests carried out in independent laboratories.
French specialist in smartphone protection solutions for 25 years, our products are tested and certified according to the standards and directives in force on the market.
As of its delivery, this product benefits from the legal guarantee of conformity of 2 years.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
