

Descriptif produit

An eco-designed charging pack featuring Power Delivery, the fastest charging protocol on the market for mobile devices. The fast and efficient charging solution, in the office, at home or on the go. Made from 100% recycled plastic.

This pack consists of a USB C charger and a 1.2m USB C to USB C cable.

Adapted to your daily use

Practical and essential for recharging all your mobile devices at home, in the office or on the go. Compatible devices: phones, external batteries, tablets, etc.

Power Delivery: 70% Faster Charging*

Its Power Delivery-compatible charging protocol is much more efficient than conventional charging technologies. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices, it offers an ultra-fast, safe, and convenient alternative for charging all your devices up to 70% faster than standard 5W* technology.

Intelligent and Eco-Friendly Charging

Dynamic charge adjustment preserves the battery and reduces energy consumption, preventing the risk of overheating and extending the battery's lifespan. When you're in a hurry, our chargers give your battery a quick boost in no time.

Secure Charging

Designed for intensive daily use, it withstands high temperatures and voltage fluctuations for safe long-term use.

Power Delivery Compatibility

To benefit from the optimal charging speed of a Power Delivery charger, you need a compatible Apple or Android device, a USB Type-C to USB Type-C or USB Type-C to USB C charging cable, and a USB Power Delivery compatible charger.

1.2m USB C to USB C cable included

Essential for connecting your device to your charger, computer or external battery and charging it. Longer than traditional 1m cables, they offer greater comfort of use while remaining space-saving.

Reversible cable design

The cable connector is reversible making connections even easier.

Charges all your Android and iOS compatible devices

Supports a wide variety of devices compatible with USB C connectivity, including the new iPhone 15.

Eco-Designed with 100% Recycled Plastic

This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Fully Recyclable Eco-Friendly Packaging

Cardboard (certified from responsible forest management), vegetable-based glue, and
