## Descriptif produit

**High performance Lifetime Warranty products. Made from 100% recycled plastic.**

The Force Power home charger is Power Delivery compatible and guarantees ultra-fast charging to accompany you efficiently in your daily life.

**Power Delivery:** unrivalled charging speed  
The efficiency of its Power Delivery compatible technology guarantees a much faster charging speed than the traditional protocol which requires hours. Its USB C port provides a maximum charge of 25W to charge your device up to 70% faster than standard 5W technology\*.

**One powerful charger for all your devices**  
No more multiple chargers at home and in the office: choose one efficient charger for all types of smartphones and tablets !

**Extremely fast charging time**  
This charger offers a high performance solution to power all your iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices. Charge up to 50% of the battery of your iPhone 8 or later model or your Samsung S20 or later model in only 30 minutes\*!

**Smart and secure**  
The charger automatically detects the required fast charging current: handy if you are in a hurry to boost your battery in a short time! This innovative technology avoids the risk of overheating and gives the battery a longer life. When the battery is full, the power supply is switched off to prevent the battery from running continuously.

**Power Delivery Compatibility**  
To benefit from the optimal charging speed of a Power Delivery charger, you need a Power Delivery compatible device or Android, a USB Type-C to USB Type-C or Lightning to USB Type-C charging cable and a USB-PD compatible charger.

**Stylish finish**  
Its metallic finish adds a touch of elegance to the design.

**Lifetime warranty**  
Force Power replaces your charging accessory with a new one in case it gets damaged!

**Eco-designed with 100% recycled plastic**  
This product is made from recycled plastic to reduce the use of single-use plastics and support the circular economy.

\*Charging time depends on the devices charging capacity, temperature, battery wear, power output of the charger and the charge level of the device.

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

### How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

### How do I return my product?

Using the QR code or link provided in the pack of the purchased product [www.force-mobility.fr/recyclerie](http://www.force-mobility.fr/recyclerie), download a free return voucher from our site to return your product to us for recycling.

### What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

### A reduced carbon footprint for a more responsible purchase!

The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
