JBL

## Descriptif produit

### A powerful sound. All day long.

**Powerful sound and even deeper bass**  
Enjoy your music with great JBL Original Pro sound. The new three-way drivers offer superior sensitivity of our acoustic design for increased clarity, while reducing distortion for impressive bass and a rich audio spectrum, no matter how loud the volume.

**24 hours of battery life**  
Celebrate every moment with the sounds that move you. We've added 24 hours of battery life so you can be in your element all day long, from your morning workout to a nightcap with your friends.

**Water and dust resistant (IP67)**  
At the pool. At the park. The JBL Boombox 3 is IP67 dust and water resistant, so you can take it anywhere, no matter the weather.

**Bold and powerful design**  
We've revisited JBL's elegant, iconic design. With dual side boomers and a sturdy metal handle with attractive orange silicone protection, you can take your music - and your style - anywhere.

**Wireless streaming via Bluetooth**  
Your playlist or mine? Connect up to 2 smartphones or tablets wirelessly to your speaker and take turns enjoying the JBL Original Pro sound.

**The more the merrier with PartyBoost!**  
PartyBoost mode lets you pair two compatible speakers for stereo sound, or connect multiple compatible speakers for endless audio possibilities.

**JBL Portable App**  
Download the JBL Portable app to get the most out of your Boombox 3. Customise settings, unlock features and get real-time updates so you can always listen to your music your way.

**Environmentally friendly packaging**  
JBL is committed to offering more sustainable and environmentally friendly packaging. That's why the Boombox3 comes in a recyclable paper box printed with soy ink, including the inner tray.
