

Smart Watch Fit Ozone 3 Pink Abyx

Descriptif produit

The big screen and long battery life connected watch

The Ozone 3 has an ultra-lightweight aluminium alloy casing and is water resistant (IP68).

It has a 1.6 inch 240*280 LCD touch screen and monitors your activity, heart rate, blood oxygen level and sleep.

By combining the data collected by its heart rate sensor, pedometer and accelerometer, it counts your steps, estimates your calories burned and calculates your blood pressure.

It also displays your alarms, reminders, incoming calls, messages and notifications.
