

iPhone XR / 11 Resin Hybrid Case Sahel - Made in France

Bigben

Descriptif produit

The fashion accessory for your smartphone... made in France!

Shock-proof hybrid case

Flexible on the sides and rigid on the back, it thus protects the back and the edges of your mobile from bumps and scratches. The sides are transparent and give free access to the ports of the device.

A fashion accessory

Trendy and colorful patterns printed on the back of the case.

Exclusive resin coating

The application of a self-healing, non-slip resin to the back of the case gives a premium finish and depth to the printed designs.

Made in France

This product is designed, processed and packaged in France.

Color : Sahel

Material : TPU + PC

Ref : COVSUM2IP11

EAN : 3571211502739

Pack contents : 1 Hybrid Case

Informations complémentaires

Bigben Connected: The brand for your smartphone essentials

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
