

Descriptif produit

Built to protect and show off.

The Pixel 7A Case highlights the phone's design while keeping it protected – all at a great price.

Mix and match to make it yours.

A range of colors complement your phone's beautiful design.

Protects beautifully.

The dual-layer shock-absorbing case with raised edges helps protect your Pixel from scratches and drops.

Fashion that fits into your life.

With different color combos, your case and phone will stand out while fitting in.

Thoughtfully made.

Built with over 30% post-consumer recycled material, the case is a mindful addition to your phone.
